2. Time: 5:30 p.m. 26/11/2007

4. Discussion Items
 - a) All attendances considered that the arrangements for incremental credit for experience as stated in CSB Circular 10/2007 would be unfair to all existing NCSC staff if they should be required to have the similar treatments to the new recruits because they had had the same experience gained in the Government as the existing p. e. staff.
 - b) All attendances hoped that they would have different treatment with the new recruits.
 - c) The attendances discussed the points to argue for their cases.
 - d) The attendances discussed the ways to forward their cases.
 - e) The attendances concurred to discuss this issue with the ArchSD's Management first and at the same time requested Government Employees Association (GEA) to raise this issue to CSB for all NCSC staff in the Government.
 - f) Mr KWOK agreed to make appointment with DD and forward their request to GEA
5. Meeting was adjourned at 6:35 p.m.
